

MONTAGNY 1^{er} CRU

DOMAINE DES VIGNES BLEUES

The Cave of Vignerons de Buxy offers you a selection of wines produced in limited quantities. Selected by our winemaker these wines, produced and matured individually, come from our vineyards, estates and « châteaux ».

The Vineyard

Covering 6 hectares, the vines are planted in the middle of the slopes, facing both East and South-East. They source the intensity and the minerality that is so typical of this Montagny 1er Cru in shallow chalky-clay soil rich in limestone.

Aging Process

Alcoholic and malolactic fermentation, along with some maturing in stainless steel vats.

Tasting Notes

This golden coloured Bourgogne reveals a complex and attractive bouquet of citrus and white flowers. The refreshing taste reveals flavours of toasted bread and butter.

Accords mets et vins

This white wine can accompany many dishes such as salmon tartar or tuna, cod with sweet spices, fishes terrine, prawns or shellfish gratin. It can also be consumed with cheeses.

Advice

Best consumed within three and four years following harvest. Serving temperature between 11 and 13 °C.
