

SANTENAY CLOS GENET

DOMAINE LABORBE JUILLOT

The Cave des Vignerons de Buxy offers you a selection of wines produced in limited quantities. These wines, selected by our winery and produced and matured individually, come from our vineyards, estates and chateaux. Each and every vintage is carefully monitored to ensure a product offering which is both rich and diverse.

The Vineyard

The ground composed mainly of calcareous clay, well ventilated, but with many rocks.

This vintage is located in Santenay on the Cote d'Or and in Remigny in the Saône et Loire region. Our parcel is at the heart of Santenay, in mid hillside, and mostly enclosed by walls creating its own micro-climate. With a south to southeast exposure, it benefits fully from the warmest sunrays.

Pinot Noir exclusively

Aging Process

Long aging period in oak barrels.

Tasting Notes

Fruits (almonds and strawberries) and floral hints (violet) are dominant on the nose. This full-bodied, fruity wine is long-lasting in the mouth. Older wines are characterised by chestnut and prunes.

Accompaniment

Its tannin is best appreciated with meals prepared with care, such as braised veal or beef, as well as Asian lacquered and caramelised poultry.

Advice

Best consumed within six to seven years after harvest.
Serving temperature between 16 and 18°C.
